Top 10 practical tools to help you market your company more cost-effectively

By James, Feb 8 2013 - 10:00am

Article written by Rose Goodwin, FCBM, EIMB, Chartered Marketer

One question I regularly get asked is "what is the best way to market my company?" The answer is: video and audio. Marketing is a dynamic, ongoing process and involves various activities - not just one or two of promotion campaigns. The Chartered Institute of Marketing class "Marketing is a management process responsible for identifying, anticipating and satisfying customer requirements profitably". But what exactly means there is how they can apply it to their business more effectively - or how can they get "the best bang for the buck?"

Read our Top 10 practical tools to help-market a company more cost-effectively.
